Krishna Bansal

Graphic Designer | Branding & Packaging

PROFESSIONAL SUMMARY

Graphic designer and visual storyteller with experience in branding, logo design, packaging, social media creatives, and marketing materials. I create clean, modern visuals that reflect each brand's identity and communicate clearly.

My background in marketing and business helps me connect creative ideas with audience needs and commercial goals. My portfolio includes work for established franchise stores and emerging brands across food, lifestyle, and industrial sectors.

Seeking a full-time remote graphic design role where I can contribute thoughtful design, visual consistency, and a strong understanding of branding.
